SCHOOL HOURS OF OPERATION

Learn4Life-Edgewood operates on a 176-Day calendar, with enrollment available at any time within the operable calendar.

The school hours of operation are 8:00AM – 4:00PM. The Principal may change the school hours based on the needs of students.

MISSION STATEMENT

At Learn4Life Schools, we see potential in every student to graduate and succeed. Our mission is to create a safe, nurturing environment where a passionate faculty works with students, one-on-one, to support their education and empower them to challenge their future.

WHAT IT MEANS TO BE AN “EDUCATED PERSON” IN THE 21ST CENTURY

An “educated person” in the 21st century is, at the least, a high school graduate who understands that education is a lifelong process, and that people are continually learning. An educated person in the 21st century has developed self-motivation and confidence to accomplish multiple responsibilities and handle daily life challenges successfully. He or she has successfully obtained a certificate or degree related to a career pathway and is able to apply knowledge and skills in the workplace.

STUDENT LEARNING OBJECTIVES

1. Leadership: Learn4Life-Edgewood students actively serve their local community and workforce system by mastering skills of financial literacy, entrepreneurship (or professional skills), and teamwork.
2. High School Completion: Learn4Life-Edgewood students attain higher levels of education by acquiring career pathway exploration and guidance, occupational skills training, and a high school diploma.
3. Post-secondary Success: Learn4Life-Edgewood graduates are lifelong learners who are prepared to contribute to the workforce through continuing education offered in the context of aligned industry occupations, obtainment of a certificate or degree, or job placement.

SCHOOL OBJECTIVES

Learn4Life-Edgewood utilizes an Individualized Learning Plan. Units of work will be given in specific subjects. The assignments will follow Texas Essential Knowledge and Skills (TEKS) for all school curriculum. The education program offered in grades 9 through 12 shall include a course of study that provides an opportunity to meet the requirements necessary for post-secondary admission into advanced learning programs. Learn4Life-Edgewood collaboratively sustains a variety of partnerships with community stakeholders to ensure the delivery of comprehensive support services to students. Partners include non-profits, other secondary and post-secondary education institutions, and social service agencies. Certain federally funded youth programs and Texas law allow public schools to enroll youth through the age of 21.

Students will be assigned a teacher who will evaluate the study assignments and provide testing materials. The tests will be completed for a percentage grade (i.e.: A=100%-90%, B=89%-80%, C=79%-70%, D=69%-60% and F=59%-0%).

On a regular basis, consistent with the written Individual Student Learning Plan, the assigned teacher and/or counselor, student, and parent, as applicable, shall evaluate the student's educational program. The assigned

teacher will have the final authority regarding the student's educational program, except students who qualify for special education services whose services and outcomes will be determined by an Individual Education Plan (IEP) team, pursuant to law.

GRADUATION REQUIREMENTS

In accordance with House Bill 5, 83rd Texas Legislature, Regular Session, 2013, students entering ninth grade beginning with the 2014-2015 school year will be automatically enrolled in the Foundation High School Program. Students who entered ninth grade before the 2014-2015 school year have the option to graduate under the Foundation High School Program, Minimum High School Program, Recommended High School Program, or Distinguished Achievement Program.

All students who began ninth grade during the 2011-2012 school year or later will be required to take five STAAR end-of-course test to graduate from a Texas public school in the following subject areas: English I, English II, Algebra I, Biology, and U.S. History. Students who are required to take the five STAAR end-of-course exams must pass all five exams to fulfill their graduation requirement. However, students who were enrolled in eleventh or twelfth grade between the 2014-2015 and 2022-23 school years who have taken and have failed to achieve the end-of-course assessment performance required for graduation for two courses at most are eligible for Individual Graduation Committee (IGC) review. A Learn4Life-Edgewood student may receive a Texas high school diploma if they qualify for an IGC review and the IGC determines that the student qualifies for graduation. Learn4Life-Edgewood will develop procedures for the convening of an IGC in compliance with Texas Education Code §28.0258. (TEA, SB 149 FAQ).

At Learn4Life-Edgewood, regardless of which graduation path a student is on, teachers will evaluate the study assignment, and after successfully completing the unit, the teachers assign a unit test or some other appropriate assessment. This process ensures that a student is demonstrating mastery of a course taken at Learn4Life-Edgewood. The test shall be completed for a percentage grade. When a student passes a course with a 70% or better, the student receives the associated credit. Through this process Learn4Life-Edgewood ensures that students are achieving a level of mastery in each subject area that will continue with them in college or other post-secondary opportunities.

Under the Foundation High School Program, students (1) must demonstrate proficiency in certain core courses and earn at least 22 credits from these courses, (2) complete testing requirements and demonstrate proficiency in skills needed for professional and social success. (19 Tex. Admin. Code §74.11; 74.12).

Table 1 shows the credit requirements in each discipline and the core courses a student must demonstrate proficiency in under the Foundation High School Program. All elective courses offered by Learn4Life-Edgewood can be used to fulfill the five elective credits required for graduation.

To fulfill requirements under the Foundation High School Program, Learn4Life-Edgewood will develop endorsements in accordance with 19 Tex. Admin. Code §74.13. and at minimum will offer endorsements in Multidisciplinary Studies, STEM, and Business and Industry. Completion of endorsements will be strongly encouraged by Learn4Life-Edgewood. However, a student may graduate without an endorsement if after their sophomore year the student or the student's parent or person standing in parental relation to the student are advised by a school counselor of the specific benefits of graduating from high school with one or more endorsement and the student or student's parent or guardian files with a school counselor written permission, on a TEA adopted form, allowing the student to graduate under the Foundation High School Program without earning an endorsement. Students who graduate with an endorsement will have a minimum of twenty-six (26) credits. (19 Tex. Admin. Code §74.11 (c)).

Parents and students need to inform the school office of any changes that occur during the school year regarding addresses, telephone numbers, and emergency and alternate emergency contact persons. Information provided within the emergency cards will only be used to respond to specified emergency situations, not for any other purpose.

Immunization Exemptions

Medical Exemptions

To claim an exclusion for medical reasons, the child or student must present an exemption statement to the school or child-care facility, dated and signed by a physician (M.D. or D.O.), properly licensed and in good standing in any state in the United States who has examined the child or student. The statement must state that, in the physician's opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the child or student or any member of the child's or student's household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician. (Texas Administrative Code (TAC), Title 25 Health Services, §97.62)

Exemption for Reasons of Conscience

To claim an exclusion for reasons of conscience, including a religious belief, the child's parent, legal guardian, or a student 18 years of age or older must present to the school or child-care facility a completed, signed and notarized affidavit on a form provided by the Texas Department of State Health Services stating that the child's parent, legal guardian, or the student declines vaccinations for reasons of conscience, including because of the person's religious beliefs. The affidavit will be valid for a two-year period from the date of notarization. A child or student, who has not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of the Texas Department of State Health Services. (Texas Administrative Code (TAC), Title 25 Health Services, §97.62)

A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. Student must not be overdue for the next dose in a series to be considered provisional. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school.

A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered. (Texas Administrative Code (TAC), Title 25 Health Services, §97.66)

STUDENTS, PARENTS, GUARDIANS: KNOW YOUR EDUCATIONAL RIGHTS

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students’ parents or guardians.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of the child’s age or residency.
 - You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.
- ### Confidentiality of Personal Information
- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
 - Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school must provide parents/guardians with written notice of the school’s directory information policy and let you know of your option to refuse the release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

- You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the

event you are detained or deported.

- You have the option to complete a Caregiver's Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

- Your child has the right to report a crime or file a complaint to the school if he or she is discriminated against, harassed, intimidated, or bullied based on his or her actual or perceived nationality, ethnicity, or immigration status.

ACADEMIC STANDARDS AND PROCEDURES

Learn4Life-Edgewood offers a curriculum enabling and preparing students for entrance into college, trade school, and/or the workforce. We offer a diploma that meets all of the State of Texas requirements and enables the student to be enrolled in a wide array of colleges, universities, and other institutions, which require a high school diploma.

COURSE OFFERINGS

Our classes consist of Texas Essential Knowledge and Skills (TEKS) curriculum, career technical education, and electives developed to continually ensure that all content areas are infused with college and career readiness content. Students have their transcripts evaluated and take assessment tests to determine the appropriate level of instruction. The order in which the instruction is offered is purposely done to maximize learning.

Learn4Life-Edgewood offers the required classes necessary to meet all State Standards and graduation requirements, according to Texas State law.

For English Learners, written communication is provided by Learn4Life-Edgewood to notify the parent/guardian when their student has been identified as an English Learner (EL). This notification also describes the school's language development program placement, which allows the parent/guardian to make an informed choice regarding the best program option for their student learning English as a second language. Learn4Life-Edgewood provides Integrated (I) and Designated (D) English Language Development (ELD) to students learning English as a second language. Learn4Life-Edgewood also provides tutoring, specialized reading instruction and/or academic skills-targeted support depending on the students' Individual English Language Development Plan (IELDP).

CAREER TECHNICAL EDUCATION (CTE)

The changing nature of work in our society requires that students develop the appropriate work skills, habits, and attitudes that may be transferred to a variety of employment situations. The Career Technical Educational program aims to provide students with relevant career education and experience in preparation for the working world while earning credit.

The CTE Program design ensures that all students gain awareness of their own interests and talents and the opportunity to explore related careers in specific sectors and industries. In the introductory CTE program, all students learn basic employability skills that, in combination with the results of unique career surveys, direct them to possible career and post-secondary education pathways. Students may proceed beyond the introductory CTE program into a more specialized pathway program and course of study that aligns with a chosen career field. CTE pathway programs offer Texas aligned CTE Curriculum Standards. Work-based learning experiences are combined with coursework and can serve as a bridge to internships and employment after graduation.

PART-TIME WORK

Learn4Life-Edgewood recognizes that part-time jobs can give students needed supplementary income, valuable work experience, and enhanced self-esteem.

ATTENDANCE AND CREDIT

Students must attend school on their scheduled days and times. The student's attendance is taken daily; failure to attend school will be considered an absence, thus, subject to local truancy laws.

Students are expected to attend school on their scheduled days and times. A student will be considered truant if he or she is not regularly attending school. Attendance at a naturalization ceremony can be an excused absence.

In order for a student to receive credit, a passing grade of "C" or better is required. If the failed course is required to meet Texas Graduation Requirements, the student will be scheduled to retake the class. If the course is a prerequisite for a later/higher level course, the failed course must be successfully completed before advancing to the next class. If the failed course was an elective, the student has the option to retake the course to receive credit and recalculate their GPA.

Students with IEPs (Individualized Education Programs)

If your student has an IEP and transfers to Learn4Life-Edgewood from a school district that is part of a different special education plan (SELPA), your student will continue to receive a Free Appropriate Public Education (FAPE).

We will provide services similar to those listed in their current IEP while we review and update the plan in collaboration with you. This transition period will not exceed 30 days.

By the end of that period, Learn4Life–Edgewood will either adopt your student’s current IEP or create a new one that meets all legal requirements.

If there is ever a service in your student’s IEP that Learn4Life–Edgewood cannot provide directly, we will work closely with the Edgewood Independent School District (EISD) to make sure that service is delivered—either by Learn4Life or another qualified provider.

In the case of an individual with exceptional needs who has an IEP and transfers into Learn4Life-Edgewood, the school shall continue, without delay, to provide services comparable to those described in the existing approved IEP that is consistent with federal and state law.

Section 504

Learn4Life-Edgewood recognizes its legal responsibility to ensure that no qualified person with a disability shall, based on disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the school. Any student who has an objectively identified disability that substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by the school. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Principal or designee. A copy of Learn4Life-Edgewood’s Section 504 policies and procedures is available upon request.

WITHDRAWAL PROCEDURES

Any students desiring to transfer to another school will need to return all textbooks and materials, complete a withdrawal form, and complete a transcript request form. Students under 18 years of age will need a parent to accompany them during the withdrawal process.

Annual Notification

The following shall serve as Learn4Life-Edgewood’s annual notice to parents/guardians and students of Learn4Life-Edgewood’s general information policies regarding Pupil Records, Including Challenges, Directory Information, and Information Sharing.

FERPA Information

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within forty-five (45) days after the day Learn4Life-Edgewood receives a request for access.
- Parents or eligible students should submit to the school Principal or designee a written request that identifies the records they wish to inspect. Learn4Life-Edgewood official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask Learn4Life-Edgewood to amend a record should write the school Principal, clearly identify the part of the record they want changed and specify why it should be changed. If Learn4Life-Edgewood decides not to amend the record as requested by the parent or eligible student. In that case, Learn4Life-Edgewood will notify the parent or eligible student of the decision and their right to a hearing regarding the amendment request. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before Learn4Life-Edgewood discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes

disclosure without consent as described below.

Learn4Life-Edgewood's request for written or parental or guardian consent for release of student information must include the following information: (1) the signature and date of the parent, guardian, or eligible student providing consent; (2) a description of the records to be disclosed; (3) the reason for the release of information; (4) the parties or class of parties receiving the information; and (5) if requested by the parents, guardians or eligible student, a copy of the records to be released. Learn4Life-Edgewood shall permanently keep the consent notice with the record file.

The parent, guardian, or eligible student is not required to sign the consent form. If the parent, guardian, or eligible student refuses to provide written consent to release student information that is not otherwise subject to release, Learn4Life-Edgewood shall not release the information.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Learn4Life-Edgewood to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Learn4Life-Edgewood shall avoid disclosing information that might indicate a student's or family's citizenship or immigration status if FERPA does not authorize the disclosure. Charter School personnel shall take the following action steps upon receiving an information request related to a student's or family's immigration or citizenship status:

- Notify a designated Charter School official about the information request.
- Provide students and families with appropriate notice and a description of the immigration officer's request.
- Document any verbal or written request for information by immigration authorities.
- Unless prohibited, provide students and parents/guardians with any documents issued by the immigration-enforcement officer.

FERPA does permit Learn4Life-Edgewood's disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires Learn4Life-Edgewood to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. Learn4Life-Edgewood may disclose PII from the education records of a student without obtaining the prior written consent of the parents or the eligible student in the following instances:

1. To other school officials, including teachers, the school has determined to have legitimate educational interests within the educational agency or institution. This includes contractors, consultants, volunteers, or other parties to whom Charter School has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1)- (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).
2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the

student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).

3. To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35).
4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4)).
5. To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5)).

* Except for investigations of child abuse, child neglect, or child dependency, or when the subpoena served on Learn4Life-Edgewood prohibits disclosure, Learn4Life-Edgewood shall provide parental or guardian notification of any court orders, warrants, or subpoenas before responding to such requests.

Directory Information

The following shall serve as Learn4Life-Edgewood's annual notice to parents/guardians and "eligible students" to attend Learn4Life-Edgewood's directory information policies.

FERPA requires that Learn4Life-Edgewood, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. Learn4Life-Edgewood shall require written parental or guardian consent to release student information unless the information is relevant for a legitimate educational interest or includes directory information only. Neither exception permits disclosing information to immigration authorities for immigration-enforcement purposes; no student information shall be disclosed to immigration authorities for immigration-enforcement purposes without a court order or judicial subpoena. Directory information does not include citizenship status, immigration status, birthplace, or any other information indicating national origin (except where Learn4Life-Edgewood receives consent as required under state law).

Learn4Life-Edgewood may disclose appropriately designated “directory information” without written consent unless you have advised Learn4Life-Edgewood to the contrary in accordance with school procedures. The primary purpose of directory information is to allow Learn4Life-Edgewood to include this type of information from your child’s education records in certain school publications. Examples include, but are not limited to:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings, publish yearbooks or are identified by Learn4Life-Edgewood as entities that have a legitimate need to know and/or organizations who request directory information in the furtherance of Learn4Life-Edgewood’s valid interests. Learn4Life-Edgewood has determined that it will release directory information to requestors that engage in information dissemination related to Texas charter school issues. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised Learn4Life-Edgewood that they do not want their student’s information disclosed without their prior written consent. (Section 9528 of the Elementary and Secondary Education Act)

Learn4Life-Edgewood has designated the following information as directory information:

- Student’s name
- Student’s address
- Parent/guardian’s address
- Telephone Listing
- Student’s e-mail address
- Parent/guardian’s e-mail address
- Photograph
- Date of birth

- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, a password, etc. (However, a student’s

SSN, in whole or in part, cannot be used for this purpose.)

If you do not want Learn4Life-Edgewood to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify Learn4Life-Edgewood in writing within ten (10) days of your enrollment date.

Family Engagement at Learn4Life–Edgewood

At Learn4Life–Edgewood, we understand that many of our students are young adults with adult responsibilities, including employment, caregiving, and parenting. We are committed to supporting all students in reaching their academic and personal goals—regardless of their life circumstances.

While parental or guardian involvement is not required for acceptance to or continued enrollment at Learn4Life–Edgewood, we recognize that some parents, guardians, or supportive adults may wish to be engaged in their student’s educational experience. We welcome and encourage this involvement when it aligns with the student’s wishes and supports their success.

Ways Parents and Guardians Can Be Involved (as appropriate and desired by the student):

- Communicating with teachers or staff about student progress and goals
- Attending student conferences or meetings
- Supporting the student’s academic progress at home
- Learning about school policies, programs, and resources
- Volunteering at school events (when available)

Our approach honors student independence and respects the privacy and autonomy of each learner. For students over 18, we follow all applicable privacy laws (including FERPA) and will only share academic information with parents or guardians if the student provides written consent.

If you are a parent, guardian, or supportive adult who would like to explore ways to be involved, please contact the school staff. We are happy to discuss opportunities that are aligned with our model and respectful of the student’s rights and preferences.

Students will understand that Learn4Life-Edgewood Personalized Learning/Independent Study Program is an optional educational alternative, and that no pupil is required to participate in this program.

SUSPENSION AND EXPULSION POLICY AND PROCEDURE

Trauma-Sensitive and Restorative Practices Policy

Learn4Life-Edgewood is dedicated to being a student-centered organization. Accordingly, it recognizes a standardized, effective behavior management system is key to ensuring students feel supported and have the opportunity to be successful in school. The school has embraced a trauma-sensitive approach when considering student behavioral issues by examining what happened in a particular incident rather than faulting the student’s

character. To support this perspective, Learn4Life-Edgewood practices setting clear parameters around expectations for both students and educators, thereby limiting or reducing unwanted behaviors while also using restorative practices to maintain the relationships of respect when an incident does occur. Recognizing that a high percentage of our school's students have experienced adverse childhood experiences, these systems help us create a safe learning environment in which students feel valued, respected and are able to work at their own pace to get back on track in their academic and personal lives.

Suspension and Expulsion Policy

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all students at Learn4Life-Edgewood. Learn4Life-Edgewood is committed to an annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend, withdraw or expel a student from regular classroom instruction. This policy shall serve as Learn4Life-Edgewood's policy and procedures for student suspension and expulsion, and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to

protect the employee, students, staff, or other persons or to prevent damage to school property.

Learn4Life-Edgewood administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. For new students, this requirement can be fulfilled by providing parents/guardians and students with the approved Family Student Handbook for Charter School at the time of enrollment. For continuing students, they will be provided with a copy of Learn4Life-Edgewood's rules related to discipline, suspension, withdrawal and expulsion at the beginning of the school year.

Suspended, withdrawn or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension, withdrawal or expulsion.

A student identified as an individual with disabilities or for whom Learn4Life-Edgewood has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension, withdrawal and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. Learn4Life-Edgewood will follow all applicable federal and state laws when imposing any form of discipline on a student identified as an individual with disabilities or for whom Learn4Life-Edgewood has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in accordance with due process to such students.

Learn4Life-Edgewood will adhere to state laws prohibiting the use of seclusion and behavioral restraint techniques, except as allowed by law.

Learn4Life-Edgewood shall involuntarily remove no student for any reason unless the student's parent or guardian has been provided written notice of intent to remove the student no less than five school days before the effective date of the action. The written notice shall be in the native language of the student or the student's parent or guardian or if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the student's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the student shall remain enrolled and shall not be removed until Learn4Life-Edgewood issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

For the purposes of this subdivision, “hazing” means a method of initiation or preinitiation into a pupil organization or body, whether the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this section, “hazing” does not include athletic events or school-sanctioned events.
- ll) Made terroristic threats against school officials and/or school property, which includes but is not limited to electronic files and databases. For purposes of this section, “terroristic threat” shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime that will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of school property, which includes but is not limited to, electronic files and databases, or the personal property of the person threatened or his or her immediate family.
- mm) Committed sexual harassment. For the purposes of this section, the conduct must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual’s academic performance or to create an intimidating, hostile, or offensive educational environment.
- nn) Caused, attempted to cause, threatened to cause, or participated in the act of hate violence.
- oo) Intentionally harassed, threatened, or intimidated school personnel or volunteers and/or a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder, and invading the rights of either school personnel or volunteers and/or student(s) by creating an intimidating or hostile educational environment.
- pp) Engaged in the act of bullying, including, but not limited to, bullying committed by means of an electronic act.
 - 1) “Bullying” means any severe or pervasive physical or verbal act or conduct or gesture, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students which would be deemed hate violence or harassment, threats, or intimidation, which are directed toward one or more students that have or can be reasonably predicted to have the effect of one or more of the following:
 - a. Placing a reasonable student (defined as a student, including, but is not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in

conduct for a person of his or her age, or for a person of his or her age with exceptional needs) or students in fear of harm to that student's or those students' person or property.

- b. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health.
 - c. Causing a reasonable student to experience substantial interference with his or her academic performance.
 - d. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by Learn4Life-Edgewood.
 - e. Insulting or demeaning a student or group of students causing substantial disruption or interference in the operation of the school.
 - f. Damaging a student's personal property.
- 2) "Electronic Act" means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or another wireless communication device, computer, or pager, of communication, including, but not limited to, any of the following:
- a. A message, text, sound, video, or image.
 - b. A post on a social network Internet Web site including, but not limited to:
 - (a) Posting to or creating a burn page. A "burn page" means an Internet Web site created for the purpose of having one or more of the effects as listed in subparagraph (1) above.
 - (b) Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed in subparagraph (1) above. "Credible impersonation" means to knowingly and without consent impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed, that the pupil was or is the pupil who was impersonated.
 - (c) Creating a false profile for the purpose of having one or more of the effects listed in subparagraph (1) above. "False profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.
 - c. An act of cyber sexual bullying.
 - (a) For purposes of this clause, "cyber sexual bullying" means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (i) to (iv), inclusive, of paragraph (1). A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or another visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

(b) For purposes of this clause, “cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

3) Notwithstanding subparagraphs (1) and (2) above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

qq) A pupil who aids or abets the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline.

2. Non-Discretionary Expellable Offenses: Students must be recommended for expulsion for any of the following acts when it is determined pursuant to the procedures below that the pupil:

a) Possessed, sold, or otherwise furnished a firearm, knife, explosive, or a n other dangerous object, unless, in the case of possession of an object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the Principal or the designee of the Principal.

If it is determined by the Administrative Panel and/or Board of Directors that a student has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the pupil shall be provided due process rights of notice and a hearing as required in this policy.

The term “firearm” means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.

The term “destructive device” means (A) any explosive, incendiary, or poison gas, including but not limited to: (i) bomb, (ii) grenade, (iii) rocket having a propellant charge of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses.

C. Suspension Procedures

Suspensions shall be initiated according to the following procedures:

1. Conference

The suspension shall be preceded, if possible, by a conference conducted by the Superintendent, Principal, or Designee with the student and his or her parent and, whenever practical, the teacher, supervisor, or Charter School employee who referred the student to the Superintendent, Principal or Designee.

The conference may be omitted if the Superintendent, Principal, or Designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety, or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and the student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two (2) school days unless the pupil waives this right or is physically unable to attend for any reason, including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for the failure of the pupil's parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of expulsion by the Superintendent, Principal, or Designee, the pupil and the pupil's parent/guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when Learn4Life-Edgewood has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents unless the pupil and the pupil's parents fail to attend the conference.

This determination will be made by the Superintendent, Principal, or Designee upon either of the following:

- 1) the pupil's presence will be disruptive to the education process, or
- 2) the pupil poses a threat or danger to others.

Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

4. Homework

Upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the pupil, or the affected pupil, a teacher shall provide to a pupil, who has been suspended from school for two or more school days, the homework that the pupil would otherwise have been assigned.

If a homework assignment that is requested pursuant to the above, and turned into the teacher by the pupil either upon the pupil's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the pupil's overall grade in the class.

D. Authority to Expel

Students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Charter School Board of Directors following a hearing before it or by Learn4Life-Edgewood Board of Directors upon the recommendation of a neutral and impartial Administrative Panel, to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a member of Learn4Life-Edgewood Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Unless postponed for a good cause, the hearing shall be held within thirty (30) school days after the Superintendent, Principal, or Designee determines that the pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges, and offenses upon which the proposed expulsion is based;
3. A copy of Learn4Life-Edgewood's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at Learn4Life-Edgewood to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses.

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

Learn4Life-Edgewood may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by Learn4Life-Edgewood or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. Learn4Life-Edgewood must also provide the victim with a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, Learn4Life-Edgewood must present evidence that the witness' presence is both desired by the witness and will be helpful to Learn4Life-Edgewood. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness, and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or another support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any

purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If the hearing is held at a public meeting due to a written request by the expelled pupil and the charge is committing or attempting to commit a sexual assault or committing a sexual battery, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. However, if the Board does not meet on a weekly basis, its decision on whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance. The decision of the Board of Directors is final.

If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Principal or designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Directors' adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with Learn4Life-Edgewood.

The Principal or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

J. Disciplinary Records

Learn4Life-Edgewood shall maintain records of all student suspensions and expulsions at Learn4Life-Edgewood. Such records shall be made available to the authorizer upon request.

K. No Right to Appeal

The pupil shall have no right of appeal from expulsion from Learn4Life-Edgewood as Learn4Life-Edgewood Board of Directors' decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs, including, but not limited to, programs within the County or their school district of residence. Learn4Life-Edgewood shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during the expulsion.

M. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

2. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, Learn4Life-Edgewood, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by or had a direct and substantial relationship to the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If Learn4Life-Edgewood, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If Learn4Life-Edgewood, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that Learn4Life-Edgewood had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent and Learn4Life-Edgewood agree to a change of placement as part of the modification of the behavioral intervention plan.

If Learn4Life-Edgewood, the parent, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then Learn4Life-Edgewood may apply the relevant

disciplinary

procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

3. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or Learn4Life-Edgewood believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or Learn4Life-Edgewood, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and Learn4Life-Edgewood agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement or the manifestation determination, or if Learn4Life-Edgewood believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in the placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

4. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Superintendent, Principal, or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person, while at school, on school premises, or at a school function.

5. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

6. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated Learn4Life-Edgewood's disciplinary procedures might assert the procedural safeguards granted under this administrative regulation only if Learn4Life-Edgewood had knowledge that the student was disabled before the behavior occurred.

Learn4Life-Edgewood shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If Learn4Life-Edgewood knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay put.

If Learn4Life-Edgewood had no basis for knowledge of the student's disability, it should proceed with the proposed discipline. Learn4Life-Edgewood shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the educational placement determined by Learn4Life-Edgewood pending the results of the evaluation.

Learn4Life-Edgewood shall not be deemed to have knowledge that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Learn4Life-Edgewood prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This Policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means. This Policy should be translated into the student's primary language if at least 15 percent of the students enrolled in Learn4Life-Edgewood speak a single primary language other than English.

As used in this Policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration and citizenship status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation. In addition, bullying encompasses any conduct described in the definitions set forth in this Policy. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, Learn4Life-Edgewood will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. Charter School staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, Learn4Life-Edgewood will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor, or another person with whom Learn4Life-Edgewood does business, or any other individual, student, or volunteer. This Policy applies to all employee, student, or volunteer actions and relationships, regardless of position or gender. Learn4Life-Edgewood will promptly and thoroughly investigate any complaint of such misconduct prohibited by this Policy and take appropriate corrective action if warranted.

Bullying and Cyberbullying Prevention Procedures

Learn4Life-Edgewood has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

Learn4Life-Edgewood advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone, including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

Charter School informs Charter School employees, students, and parents/guardians of Charter School’s policies regarding the use of technology in and out of the classroom. Charter School encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

Charter School employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. Charter School advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at Charter School and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other pupils based on protected characteristics.

Charter School's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

Charter School informs Charter School employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

Learn4Life-Edgewood informs employees about the common signs that a student is a target of bullying, including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Learn4Life-Edgewood also informs employees about the groups of students determined by Learn4Life-Edgewood, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth ("LGBTQ") and those youths perceived as LGBTQ; and
- Students with physical or learning disabilities.

Charter School encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for Charter School's students.

Grievance Procedures

1. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and if they observe or become aware of misconduct prohibited by this Policy, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator listed herein.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights.

While the submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Oral reports shall also be considered official reports. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Principal, Coordinator, a staff person, or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Learn4Life-Edgewood acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This includes confidentiality safeguards for immigration status information and keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

Learn4Life-Edgewood prohibits any form of retaliation against any reporter in the reporting process, including but not limited to a reporter's filing of a complaint or the reporting of instances of misconduct prohibited by this Policy. Such participation shall not in any way affect the status, grades, or work assignments of the reporter.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

2. Investigation

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor, or affiliate of Learn4Life-Edgewood, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than seven (7) school days. If the Coordinator or administrative designee determines that an investigation will take longer than seven (7) school days, the Coordinator or administrative designee will inform the complainant and any other relevant parties and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, in no case may the Coordinator or administrative designee reveal confidential information related to other students or employees, including the type and extent of discipline issued against such students or employees.

All records related to any investigation of complaints under this Policy are maintained in a secure location.

3. Consequences

Students or employees who engage in misconduct prohibited by this Policy will be subject to disciplinary action.

4. Right of Appeal

Should the Complainant find the Coordinator's resolution unsatisfactory, the reporting individual may, within five (5) school days, file an appeal with the Designated Appeals Committee. In such cases, at least three (3) School employees who are unfamiliar with the case and who have been previously designated and trained for this purpose shall be assembled to conduct a confidential review of the Complainant's appeal and render a final decision.

Training

Learn4Life-Edgewood shall educate students about the negative impact of bullying other students based on their actual or perceived immigration status or their religious beliefs or customs.

Learn4Life-Edgewood shall also train teachers, staff, and personnel to ensure that they are aware of their legal duty to take reasonable steps to eliminate a hostile environment and respond to any incidents of harassment based on the actual or perceived characteristics noted above. Such training shall, at a minimum, provide Charter School personnel with the skills to do the following:

- Discuss the varying immigration experiences among members of the student body and school community;
- Discuss bullying-prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims;
- Identify the signs of bullying or harassing behavior;
- Take immediate corrective action when bullying is observed; and
- Report incidents to the appropriate authorities, including law enforcement, in instances of criminal behavior.

INTERNET SAFETY AND CODE OF CONDUCT POLICY

Introduction and Policy

Access to the Internet has been provided to students for their educational benefit. The Internet allows students to connect to information resources around the world. Every student has a responsibility to use the Internet in an appropriate and productive manner. To the extent practical, steps shall be taken to promote the safety and security of users of Learn4Life-Edgewood's online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communication. It is the policy of Learn4Life-Edgewood to (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, e l e c t r o n i c mail, or other forms of direct electronic communications; (b) prevent authorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use or dissemination of personal indemnification information of minors; and (d) comply with all applicable state and federal laws. To ensure that all students are responsible and productive Internet users; the following guidelines have been established for using the Internet at school or on Charter School technology that applies but is not limited to school computers.

Acceptable Uses of the Internet

Students are responsible for using the Internet in an effective, ethical, and lawful manner and for educational purposes only. Appropriate databases may be accessed for educational information as needed.

Unacceptable Uses of the Internet

The Internet should not be used for personal gain or advancement of individual views. Use of the Internet for personal and inappropriate purposes, including, but not limited to, visiting pornographic websites, social media websites, chat sites, downloading music, etc., is strictly prohibited and will result in school disciplinary action and/or legal action. Unacceptable uses also include unauthorized access, including so-called “hacking” and other unlawful activities, and unauthorized disclosure, use, and dissemination of personal identification information regarding minors. It is prohibited for students to use Learn4Life-Edgewood’s Internet services for any non-educational purposes.

Access to Inappropriate Materials

To the extent practical, technology protection measures (“Internet Filters”) shall be used to block or filter Internet, or other forms of electronic communications, access to inappropriate information. Specifically, blocking shall be applied to visual depictions of material deemed obscene or child pornography or to any materials deemed harmful to minors. Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other lawful purposes.

Copyrighted materials belonging to entities other than Learn4Life-Edgewood may not be downloaded, and students are not permitted to copy, transfer, rename, add or delete information or programs belonging to others unless given express written permission to do so by the owner of the materials or programs. Failure to observe copyright or license agreements may result in disciplinary action from Learn4Life-Edgewood or legal action by the copyright owner.

Security

Learn4Life-Edgewood reserves the right to access and monitor all messages and files on the computer system. Internet messages are public communication and are not private. All files and communications, including text and images, can be disclosed to law enforcement or other third parties without the prior consent of the sender or receiver.

law.

Learn4Life-Edgewood will provide age-appropriate training for students who use the school's Internet facilities. The training provided will be designed to promote the School's commitment to:

- A. The standards and acceptable use of Internet services as set forth in the school's Internet Safety and Code of Conduct Policy
- B. Student safety with regard to safety on the Internet; appropriate behavior while online, on social networking websites and in chat rooms; and cyberbullying awareness and response;
- C. Compliance with the E-rate requirements of the Children's Internet Protection Act.

Following receipt of this training, the student will acknowledge that he/she received the training, understood it, and will follow the provisions of the School's acceptable use policies.

Violations

Violations of any guidelines listed above may result in disciplinary action up to and including permanent expulsion from Learn4Life-Edgewood. If necessary, Learn4Life-Edgewood will advise appropriate legal officials of any illegal violations.

GOOGLE APPS FOR EDUCATION

Learn4Life-Edgewood utilizes Google Apps for Education for classroom collaboration among students, teachers, and staff. This section describes the tools and student responsibilities for using these services. As with any educational endeavor, a strong partnership with families is essential to a successful experience.

Tools

The following suite of productivity tools are available to each student and hosted by Google as part of Learn4Life-Edgewood's online presence in Google Apps for Education:

Email – an individual email account for school use managed by Learn4Life-Edgewood

Calendar – an individual calendar for providing the ability to organize schedules, daily activities, and assignments

Documents – a word process, spreadsheet, drawing, and presentation toolset that is similar to Microsoft Office

Sites – an individual and collaborative website creation tool

Using these tools, students can work together to create, edit, and share files in real-time and access websites for Learn4Life-Edgewood related projects, and communicate via email with other students and teachers. These services are entirely online and available 24/7 from any computer with Internet access, and there are never any ads. Additionally, all data created by the students and stored in the cloud remain the property of each student. Examples of student use include showcasing class projects, building an electronic portfolio of the school learning experience, working in small groups on presentations to share with others.

Guidelines

Guidelines for the responsible use by students of Google Apps for Education include the following:

Official Email Address

All students will be assigned a [username@\[name\].org](mailto:username@[name].org) email account. This account will be considered the student's official Charter School email address until such time as the student is no longer enrolled with Learn4Life-Edgewood.

Prohibited Conduct

Refer to the separate "Internet Safety and Code of Conduct Policy" topic in this Parent-Student Handbook.

Access Restrictions

Access to and use of student email is considered a privilege accorded at the discretion of Learn4Life-Edgewood. Learn4Life-Edgewood maintains the right to immediately withdraw the access and use of these services, including email, when there is reason to believe that violations of law or Learn4Life-Edgewood policies have occurred. In such cases, the alleged violation will be referred to the site administrator for further investigation and resolution.

Security

Learn4Life-Edgewood cannot and does not guarantee the security of electronic files located on the Google systems. Although Google does have excellent security and a dynamic content filter in place for email, Learn4Life-Edgewood cannot assure that users will not be exposed to security breaches and/or unsolicited information.

Privacy

The general right of privacy will be extended to the furthest degree possible in the electronic environment. Charter School and all electronic users should treat electronically stored information in individuals' non-public files as private. However, users of student email are strictly prohibited from accessing files and information other than their own, except as they may be intentionally created for online file sharing among students and teachers. Learn4Life-Edgewood reserves the right to access the [username@\[name\].org](mailto:username@[name].org) Google systems, including current and archival files of user accounts when there is reasonable suspicion that unacceptable use has occurred.

ELECTRONIC COMMUNICATIONS POLICY

All Charter School employees, independent contractors, advisors, and volunteers (collectively "Personnel") have a responsibility to maintain only appropriate communications with students at all times. With the advances in communication technology, Charter School recognizes that more opportunities exist for school and non-school related communications between Personnel and students. As the opportunities increase for such communications, Personnel and students have an increased responsibility to ensure that all forms of communication between Personnel and students are appropriate and comply with applicable law and requirements to protect against inappropriate and unsolicited electronic and text messages.

Learn4Life-Edgewood realizes that there are many convenient and efficient means of communication available to Personnel who need to contact students. For example, Personnel can contact students via telephone, school e-mail accounts, a school-wide notification system, text messaging, and/or other forms of electronic and social media.

Personnel and students should be respectful and courteous to other individuals. Each individual should consider the appropriateness of any content before sending the message to another. The sender will be solely responsible for what he/she communicates. Inappropriate content that may include discriminatory remarks, harassment, threats of violence, lewd, sexually explicit, or similar inappropriate or unlawful conduct will not be tolerated and may subject the sender to disciplinary action up to and including termination or expulsion.

When sending electronic communications, including but not limited to SMS/MMS text messages and other forms

of social media (e.g., Twitter, Facebook, Instagram, Snapchat, etc.), permission should be obtained from each recipient to whom such communications are sent. This is referred to as an “opt-in process.”

Changes to the permission forms previously submitted to Learn4Life-Edgewood via the enrollment package may be made by completing a new permission form and submitting it to Learn4Life-Edgewood. The permission form does NOT grant permission for students to send or receive social messages from fellow students, friends, or family during the school day.

Learn4Life-Edgewood is not responsible for and does not pay for charges that may be incurred by students/parents/guardians for sending or receiving a text or other electronic messages. Parents and students should check with their wireless carrier for any applicable text messaging and/or data usage charges.

CHILD ABUSE REPORTING

Employees are mandated reporters, as defined by law and administrative regulation, and are obligated to report all known or suspected incidents of child abuse and neglect. Mandated reporters shall not investigate any suspected incidents but rather shall cooperate with agencies responsible for reporting, investigating, and prosecuting cases of child abuse and neglect.

SUICIDE PREVENTION

Protecting the health and well-being of all students is of utmost importance to the school. The school has adopted a suicide prevention policy which will help to protect all students through the following steps:

1. Students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and their friends. This will occur in all health classes.
2. Each school will designate a suicide prevention coordinator to serve as a point of contact for students in crisis and to refer students to appropriate resources.
3. When a student is identified as being at risk, the student will be assessed by a school employed mental health professional who will work with the student and help connect him or her to appropriate local resources.
4. Students will have access to national resources which they can contact for additional support, such as:
 - The National Suicide Prevention Lifeline (800) 273-8255 (TALK) www.suicidepreventionlifeline.org
 - The Trevor Lifeline (866) 488-07386 www.thetrevorproject.org
5. All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or their friends. Students are encouraged to tell any staff member if they, or a friend, are feeling suicidal or in need of help.
6. Students should also know that because of the life-or-death nature of these matters, confidentiality or privacy concerns are secondary to seeking help for students in crises.
7. For more details, please see the full School Policy on Suicide Prevention.

SCHOOL VOLUNTEER AND VISITATION POLICY

While Learn4Life-Edgewood encourages parents/guardians and interested members of the community to visit Learn4Life-Edgewood and view the educational program, Learn4Life-Edgewood also endeavors to create a safe environment for students and staff. Additionally, school volunteers can be extremely helpful to our teachers and valuable to our students. We thank all parents and community members for their willingness to volunteer in this

manner.

Nevertheless, to ensure the safety of students and staff as well as to minimize interruption of the instructional program, Learn4Life-Edgewood has established the following procedures to facilitate volunteering and visitations during regular school days:

Volunteering

Parents, guardians, or community members who are interested in volunteering in the classroom must adhere to the following guidelines:

1. Volunteers who will volunteer outside of the direct supervision of a credentialed employee shall be (1) fingerprinted and (2) receive background clearance prior to volunteering without the direct supervision of a credentialed employee.
2. Volunteering must be arranged with Learn4Life-Edgewood Principal or designee at least forty-eight (48) hours in advance.
3. Volunteer hours may be limited to a monthly maximum number of hours at the discretion of the Principal or designee.
4. Prior to volunteering, the volunteer should communicate with the Principal and/or teacher to discuss the expectations for volunteering needs. Parent/guardian volunteers are there to benefit the entire class and are not in a class solely for the benefit of their own child. Volunteers must follow the instructions provided by Learn4Life-Edgewood staff. Classroom rules also apply to volunteers to ensure minimal distraction to the teacher. If a volunteer is uncomfortable following the direction of the teacher or aid, the volunteer may leave their volunteer position for that day.
5. The information gained by volunteers regarding students (e.g., academic performance or behavior) is to be maintained in strict confidentiality.
6. Volunteers shall follow and be governed by all other guidelines indicated elsewhere in this Policy. This includes, but is not limited to, the process of registering and signing out of the campus at the main office as indicated below.
7. This Policy does not authorize Learn4Life-Edgewood to permit a parent/guardian to volunteer or visit the campus if doing so conflicts with a valid restraining order, protective order, or order for custody or visitation issued by a court of competent jurisdiction.

Visitation

1. Visits during school hours should first be arranged with the Principal or designee and teacher, if applicable, at least forty-eight (48) hours in advance. If a conference is desired, an appointment should be set with the teacher during non-instructional time, at least forty-eight (48) hours in advance. Parents seeking to visit the school during school hours must first obtain the approval of the teacher and the Principal or designee.

Unless specifically authorized, parents, guardians, family, and friends are not permitted in the classroom area. The reception area is available for anyone waiting for a student to complete his/her classroom appointments.

2. All visitors shall register in the Visitors Logbook and complete and wear an ID badge in the main office immediately upon entering any school building or grounds during regular school hours.

When registering, the visitor is required to provide the following information:

- Name, address, occupation;
 - Age, if less than 21;
 - Purpose in entering school grounds;
 - Proof of identity; and
 - Any other information as required by law.
3. Except for unusual circumstances, approved by the Principal, school visits should not exceed approximately sixty (60) minutes in length and may not occur more than once per month.
 4. While on campus, visitors are to enter and leave classrooms as quietly as possible, not converse with any student, teacher, or another instructional assistant unless permitted, and not interfere with any school activity. No electronic listening or recording device may be used in a classroom without the teacher's and Principal's written permission.
 5. Before leaving campus, the visitor shall return the Visitor's Permit and sign out of the Visitors Logbook in the main office.
 6. The Principal, or designee, may refuse to register a visitor or volunteer if it is believed that the presence of the visitor or volunteer would cause a threat of disruption or physical injury to teachers, other employees, or students.
 7. The Principal or designee may withdraw consent to be on campus even if the visitor has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt Learn4Life-Edgewood's orderly operation. If consent is withdrawn by someone other than the Principal, the Principal may reinstate consent for the visitor if the Principal believes that the person's presence will not constitute a disruption or substantial and material threat to Learn4Life-Edgewood's orderly operation. Consent can be withdrawn for up to fourteen (14) days.
 8. The Principal or designee may request that a visitor who has failed to register or whose registration privileges have been denied or withdrawn promptly leave school grounds. When a visitor is directed to leave, the Principal or designee shall inform the visitor that if he/she reenters the school without following the posted requirements, he/she will be guilty of a misdemeanor.
 9. Any visitor that is denied registration or has his/her registration revoked may request a conference with the Principal. The request shall be in writing, shall state why the denial or revocation was improper, shall give the address to which notice of conference is to be sent, and shall be delivered to the Principal with fourteen
 10. (14) days of the denial or revocation of consent. The Principal shall promptly mail a written notice of the date, time, and place of the conference to the person who requested the conference. A conference with the Principal shall be held within seven (7) days after the Principal receives the request. If no resolution can be agreed upon, the Principal shall forward notice of the complaint to Learn4Life-Edgewood's Board of Directors. Learn4Life-Edgewood Board of Directors shall address the Complaint at the next regular board meeting and make a final determination.
 11. The Principal or designee shall seek the assistance of the police in managing or reporting any visitor in violation of this Policy.
-

Penalties for violating this Policy shall be handled in accordance with board policy and applicable state law.

PARENT/STUDENT PUBLICATION & USE OF STUDENT WORKS

Learn4Life-Edgewood produces several types of publications or other forms of printed or visual media, including video and photographs, throughout the year that show students engaged in school-related activities. For example, we have newsletters that consist of information from around the state and feature student writings and/or photographs of students. In addition, we have a website that is on the internet and provides anybody, anywhere with information regarding Learn4Life-Edgewood and may also have pictures or other visual media of students engaged in school-related activities. Learn4Life-Edgewood also produce publications or other forms of printed or visual media to increase public awareness and promote the continuation and improvement of education programs through the use of mass media, displays, brochures, etc.

Students featured in any of these publications will only be identified by the first name if any identification is given. No other personal information (e.g., ages, addresses, phone numbers, etc.) will be used. No personal compensation can be given for pictures, works, and/or other forms of printed or visual media used.

Students will be requested to sign Learn4Life-Edgewood's Permission for Publication Form upon enrollment, and upon completion and return to Learn4Life-Edgewood, this form grants Learn4Life-Edgewood permission to publish student pictures, works, and/or other forms of printed or visual media of your student (engaged in school-related activities) in Learn4Life-Edgewood's publications.

ACADEMIC INTEGRITY AND PLAGIARISM

As members of the Learn4Life-Edgewood community, all students are expected to conduct themselves with honor and academic integrity. All students will follow appropriate citation guidelines to ensure that proper credit is given to the authors or creators of any work used.

Learn4Life-Edgewood's Plagiarism Policy defines plagiarism as presenting someone else's work, including the work of other students, as one's own. Any ideas or materials taken from another source for either written or oral use must be fully acknowledged unless the information is common knowledge. What is considered "common knowledge" may differ from course to course. Sources may include but are not limited to the information found on the Internet, books, articles, and media presentations and recordings. Requirements for citing material are as follows:

A student must not adopt or reproduce ideas, opinions, theories, formulas, graphics, or pictures, or photos without citing the exact source in the body of the assignment. This includes the following examples:

- Directly quoting another person's actual words, whether oral or written;
- Using another person's ideas, opinions, or theories;
- Paraphrasing the words, ideas, opinions, or theories of others, whether oral or written;
- Borrowing facts, statistics, or illustrative material; or
- Offering materials assembled or collected by others in the form of projects or collections.

Lack of Academic Integrity

Cheating involves submitting work in an assignment or exam that is not your own. It can include the following:

- Copying someone else's work
- Allowing someone else to copy your work

- Having someone else complete your work for you
- Using unauthorized materials to help you complete your work
- Accessing social media sites on the internet to help you complete your work

If an instructor detects plagiarism or cheating, the instructor may recommend (depending on the severity) one of the following:

- The reduced grade for the assignment or exam
- No credit for the assignment or exam
- The reduced grade for the course
- Recompletion of the assignment in question
- Completion of an alternate assignment or exam

Under no circumstances will a student be permitted to cheat or plagiarize, and disciplinary measures will be taken in the event this type of student misbehavior continues.
